

Parent ProTech Quick-Start Guide

Empowering families. Protecting futures.

Parent ProTech is your all-in-one digital parenting platform designed to keep families safe and informed in a rapidly changing tech world. Our platform bridges the gap between what kids use and what parents need to know, so you can make smart decisions without feeling overwhelmed.

1. Create Your Account

Scan QR code to sign up.
Bookmark the site for quick access.

2. Audit Your Family's Tech

Write down all devices,
apps, games, and
platforms your child uses.

3. Learn the Tech

Understand the basics
and parental controls
about each platform or
device your child loves.

4. Set Boundaries

Establish screen time
routines and set up
parental controls.

5. Start the Conversation

Use ProTech Conversation
Starters to spark open
discussions and set shared
expectations around tech.
